Darcy: Here is the tribal chairperson email address list. We also had to update the attached table one more time so it should be ready for distribution now with the change you requested.

Everyone: We have just posted our announcement of the extension on our R8 website and can now move forward with our external communications.

Thanks,

Douglas

Hi Darcy: in preparation for rolling out this announcement, I've inserted below a draft email of what we plan to broadcast to our tribal contacts, Powertech, stakeholders on our mailing list, etc. It has been updated to reflect our decision to extend the public comment period but is otherwise very similar to what we (Bert, Valois, and I) sent the last week of August. We also want to include the attached pdf table with this email summarizing the proposed changes to the Class III and V Draft Permits (reviewed by myself, Lucita, and Sarah).

We should be ready to post our announcement of this extension on our website by COB today followed by this email and other external communications (see the attached outreach matrix table from our Comm Strat).

Finally, we will be sending you our most current email address list for the Tribal Chairpersons.

Let us know if you have questions, etc.

Thanks!

Douglas
